REQUESTS FOR ASSISTANCE

Southeast Wisconsin Incident Management Team, Inc. (SEW IMT)

Any agency in Southeast Wisconsin can request assistance and resources from the SEW IMT. Requesting agencies should identify missions/tasks where they need additional support. During an emergency, the requesting agency can expect the Advance Team to participate in determining how the team can assist. **CONTACT YOUR COUNTY EMERGENCY MANAGER FOR EMERGENCY OR PRE-PLANNED ASSISTANCE** of the SEW IMT.

MISSION STATEMENT

The Southeast Wisconsin Incident Management Team, Inc. (SEW IMT) assists local jurisdictions with the management of an incident, exercise or a preplanned event to achieve an efficient, safe and effective response. The SEW IMT provides personnel from across the public safety spectrum who are qualified, trained, organized, equipped, and prepared to support any hazards facing a local agency. This support can be in an advisory/assistant role or as a member of the Incident Command Structure or Emergency Operations Center (EOC). The team remains flexible, scalable and fluid in meeting the needs of local requesting agencies; be they single resources or the entire team. The team uses the Incident Command System, in accordance with the National Incident Management System (NIMS) and the National Preparedness System (NPS). The SEW IMT is a non-profit 501(c)(3) organization eligible to receive tax deductible donations to a charitable organization.

EQUIPMENT

The SEW IMT is fully equipped to handle most missions or tasks (all-hazards). The team has a response trailer with laptop computers, chairs, generator, signs, vests and “go-bags” for each IMT member.

COSTS

The deployment of SEW IMT assets is free of charge under mutual aid and volunteer assistance laws.

MISSIONS

The types of missions the SEW IMT can perform are evaluation/controllers, facilitation, planning or assistance with managing a major emergency, exercise or a special event for any agency in Southeast Wisconsin. When requested, some of the missions the SEW IMT can **assist with** are:
